**Comment by Ms. Fowler:**

The following list is a composite of all original land grantees and groups of their descendants represented by my law offices. If you went to court and were granted a judgment, the date of that judgment is listed below. Many groups are sharing costs to have their title searches done, and I have included the status of that process, as well, as confirmed by the title examiners.

Thank you for the opportunity to serve you. Together, we are changing Texas history.
